Jukin

Atlanta Rhythm Section

If you like to go jukin'
If you like the western swing
Outside of Austin, Texas
I know a cowboy's dreamIt ain't much to look at
Just another cowboy club
But they got jukin'
And I got jukin' in my bloodWhen it comes to country music
I never liked it much
Till I heard it played
With that Texas touchKinda like to boogie
Just can't get enough
Don't you wanna go jukin'?
Let's go jukin'
I got jukin' in my bloodLet's go jukin'
Don't you wanna go jukin'
I got jukin' in my blood
All right, one time now, DeanDeep in the heart of Texas
The jukin' never stops
It used to be the Texas Playboys
But now, old ZZ's TopsKeeps on smoking
Lord, I hope it always does
Don't you wanna go jukin'
Let's go jukin'
I got jukin' in my bloodLet's go jukin'
Don't you wanna go jukin'
I got jukin' in my bloodIf you like to go jukin'
If you like the western swing
Outside of Austin, Texas
I know a cowboy's dreamIt ain't much to look at
Just another cowboy club
But they got jukin'
And I got jukin' in my bloodLet's go jukin'
Don't you wanna go jukin'
I got jukin' in my blood
Yes, I do
