Celebrate (feat. Agge)

Little Dragon

All you ever dream of is right here, baby
Racing endlessly, well, we're not scared
All you truly want, hey, has come true, baby
Don't let little worries make you blueGonna skate, love, celebrate
Fading every fear into rainbow tears
For tonight, don't be uptight
Hundred red balloons, see your honour, dear
It's your birthdayLet love drip
Lose your grip
Let love drip
Let love dripFighting through the storm, well, you're lost here, baby
Chasing every first prize, you got skills
All you truly want, that is right here, baby
Shadows try to rob you of your thrillsDon't escape, it must be fate
Better now they're letting your soul go dance divine
Your cheeks blush, don't you miss this rush?
Feel it in your blood, now, it's your timeLet love drip
Lose your grip
Let love drip
Let love dripLet love drip
Lose your grip
Love drip
Let love
