Funny Face

Donna Fargo

Funny face, I love you, funny face, I need you
My whole world's wrapped up in youWhen the road I walk seems all up hill
And the colors in my rainbow turn blue
You kiss the tears away, you smile at me and say
Funny face, I love youFunny face, I love you, funny face, I need you
These are the sweetest words I've ever heard
Funny face, don't leave me, funny face, believe me
My whole world's wrapped up in youAnd when I hurt your feelings as I sometimes do
And I say those mean things that we know are not true
You forgive my childish ways, you hold me close and say
Funny face, I love youFunny face, I love you, funny face, I need you
These are the sweetest words I've ever heard
Funny face, don't leave me, funny face, believe me
My whole world's wrapped up in youFunny face, I love you, funny face, I need you
These are the sweetest words I've ever heard
Funny face, don't leave me, funny face, believe me
My whole worlds wrapped up in you
