

# Joining a Fan Club

## Puffy Ami Yumi

She turned her nightlight on and threw him a kiss  
He stared back with gree Crayola eyes  
She traced his likeness from the back of the disk  
Next to a promise of the biggest prize, ohchorus:  
She's joining a fan club  
With her friends  
Filling her bathtub with T-shirts and 8x10's  
He looks dreamy  
She's in love from afar  
When she's picking up a fallen star  
Downstairs the late show's got the age of the rock  
The monks on from last Sunday at the milky way  
Your mom's writing checks to the preist and the church singing Dig Down Deep  
"cause if you wanna get to heaven all you gotta do is pay to pray  
ChorusShake!  
Shake that woody  
Promise and Pinnochio  
You've paid your money  
Now watch that money grow  
ChorusShe's joining a fan club  
Big mistake  
I still get heartburn  
Thinking of the stamps I ate  
But I loved you before fate crashed his car  
Send a prayer for a fallen star  
I wish for a fallen star  
Ah ah ah ah ah
