

Big Bank Rolls

Soulja Boy

(Intro)

Come try it, baby come try it(Hook)
Big bank rolls, big bank rolls, big bank rolls
Money on the roll, money everywhere we go
Big bank rolls, big bank rolls
Big bank rolls, big bank rolls
Money on the roll, cash everywhere we go
Big bank rolls, money for the show
Big bank rolls, big bank rolls
Big bank rolls, big bank rolls
Magic on the stove, flex everywhere we go
Red carpet, that's fo' sure
And you know we came for dough(Verse)
AOV evening fo' sure

Hold up that weight everywhere that we go, you know
Turnt up, sure, bout a chick
Round the finnesse, roll it
24 karat, I ain't gotta flex
Hit 'er with the bowflex
Ride around town in a jet
Flex, finnesse, ridin' no-oh oh oh oh
We ridin' no-oh oh oh
Purple the lemon Henny she like, hey hey
Feel like I hit the lottery money

It's comin', money is cold, you know that we buy Ferrari the wall
We stirrin' it, y'all, might next hit the town, yay(Hook)
Big bank rolls, big bank rolls, big bank rolls
Money on the roll, money everywhere we go
Big bank rolls, big bank rolls, big bank rolls
Big bank rolls, money everywhere we go
Shack on the stove, you already know
Scarface mansion came with the new mob flow
I drop roses all across the flo'
Errywhere we go, they take pictures
Shoot that bitch and that nigga
Hey, finnesse and flex like every damn day
When we play, no catchin' the juggs, we play
