Loser

Saving Jane

I saw you out and I'd be lying
If I said that you still looked good
'Cause you don't look goodI dodged the bullet there
That could've bit me on your arm
Right where she stood
Right where she stoodWell, I don't miss you
And I don't wish you would call
And I've been happy
Since the day we hit the wall'Cause I don't have to wait around for you
And I don't have to change the way I am
I don't have to cry myself to sleep
And I don't have to hold you like my friendsOh, I don't have to cover up the bruises
'Cause baby, you're a liar and a user
And you still are a loserYou won't believe how much I've grown up
Since the days of me and you
Have you grown up too?I used to be such a puppet
And the strings were in your hands
Things have changed since thenYou'll be glad to know
I sold your ring for extra cash
And I'm glad to know
Some things were never meant to last'Cause I don't have to wait around for you
And I don't have to change the way I am
I don't have to cry myself to sleep
And I don't have to hold you like my friendsOh, I don't have to cover up the bruises
'Cause baby, you're a liar and a user
You're such a loser'Cause you haven't changed after all these years
And I'm glad to know that I didn't throw my life away
Couldn't be more yesterday'Cause I don't have to wait around for you
And I'm not gonna change the way I am
Well, I don't have to cry myself to sleep
'Cause I never have to see your face againNo, I don't have to wait around for you
And I'm not gonna change the way I am
Well, I don't have to cry myself to sleep
'Cause I never have to deal with you againBut maybe it was really good to see you
'Cause you're still a loser, you're still a loser
You're still a loser
