My bad behaviour, my bad behaviour
I told you I was trouble with my bad behaviour
My bad behaviour, my bad behaviour
I told you I was trouble with my
Now tell me if I'm bad
Ooooeooo, 'cause I don't wan't no excuses, Ooeo
So don't be serious, Ooeo
I got a good persuaded,Ooeo oh oh oh oe
I want the key to your heart, to your heart
Should've know-ow-own from the start, from the start
And if a smile comes it won't be the last, be the last
I got a little problem that I can't seem to solve
My bad behaviour, my bad behaviour
I told you I was trouble with my bad behaviour
My bad behaviour, my bad behaviour
I told you I was trouble with my bad behaviour
Ooooeo bad behaviour
Ooooeo bad behaviour
Ooooeo bad behaviour
Ooooeo bad behaviour
So how's it a surprise? Ooeo
When you knew who you were dating, ooeo
Just have to have some fun, ooeo
So we shouldn't be complaining, ooeo oh oh oh, ooeo

The key to your heart, to your heart
Should've know-ow-own from the start, from the start
And if a smile comes it won't be the last, be the last
Got a little problem that I can't seem to solve
My bad behaviour, my bad behaviour
I told you I was trouble with my bad behaviour
My bad behaviour, my bad behaviour
I told you I was trouble with my bad behaviour
Ooooeo bad behaviour
Ooooeo bad behaviour
Ooooeo bad behaviour
Ooooeo bad behaviour
So tell me, t-tell me,I stop
Here for having fun

We'll do it 'till we drop
So tell me, t-tell me, tell me
Why, why should I go
If we never kno-o-ow
My bad behaviour, my bad behaviour
Told you I was trouble with my bad behaviour
My bad behaviour, my bad behaviour
Told you I was trouble with my bad behaviour
Ooooeo bad behaviour
Ooooeo bad behaviour
Ooooeo bad behaviour
Ooooeo bad behaviour
My bad behaviour.
