

# Stay Awake

## Example

If we don't kill ourselves we'll be the leaders of a messed up generation.  
If we don't kid ourselves will they believe us if we tell them the reasons why

Did we take it too far, take it too far  
Did we chase the rabbit into wonderland  
Lose a hundred grand, will they understand  
It was all to stay awake for the longest  
March on, always after us  
Lost troops, half the class of us  
You man ain't seen the last of us  
Stick around, yeah like elastoplast  
Not half mast, raise the flag  
kick the sand,

To let you know that we're coming and we're nasty man.

Don't need sleeping beauty,  
No, it's what you do to me  
Come midnight and daybreak,  
yes please gotta find me a namesake,  
we got faith but don't need bibles  
take the micheal, hear my recital  
i hold the title, quite vital  
we get high on the opposite of nital  
It was all to stay awake for the longest,  
and, it was wrong  
it was wrong, but it felt so right  
See you at the finish line,  
See you at the finish line

If you got the heart to join us

If we don't kill ourselves we'll be the leaders of a messed up generation.  
If we don't kid ourselves will they believe us if we tell them the reasons why

Did we take it too far, take it too far

Did we chase the rabbit into wonderland  
Lose a hundred grand, will they understand  
It was all to stay awake for the longest  
March on, always after us  
Lost troops, half the class of us  
You man ain't seen the last of us  
Stick around, yeah like elastoplast  
Not half mast, raise the flag

kick the sand,  
To let you know that we're coming and we're nasty man.  
Don't need sleeping beauty,  
No, it's what you do to me  
Come midnight and daybreak,  
yes please gotta find me a namesake,  
we got faith but, don't need bibles  
take the micheal, hear my recital  
i hold the title, quite vital  
we get high on the opposite of nital  
We just grow, if it's late  
Then we'll show, we don't wait  
We just grow, if you hate  
we don't show, we don't wait  
We just grow, if it's late  
Then we'll show, we don't wait  
We just grow  
If we don't kill ourselves we'll be the leaders of a messed up generation.  
If we don't kid ourselves will they believe us if we tell them the reasons why  
Did we take it too far, take it too far  
Did we chase the rabbit into wonderland  
Lose a hundred grand, will they understand  
It was all to stay awake for the longest
