

# Feel Alive (OST Blair Witch 2)

## U.P.O.

I'd like to - Walk beside my hidden fear  
I'd like to - Gaze into the clear  
I'd like to - have my spirit unbound and free again  
I'd like to - Live without this constant painFeel alive  
I'd like to - Arch myself-shed my head  
I'd like to - Swallow life, drink it in  
I'd like to - taste colors that are deep in view  
I'd like to - dance in fire with youFeel alive  
Tempting spirits, Breeding, Lusting, Thriving  
Bodies salts and sins  
Sacrificing chastened thoughtsWhile visions pass unto the wind  
Lying, Bathing, Gorging, Tasting, Fever  
Bleeding requiem  
We're touching, touching, we're touching all
