

# Don't Run Our Hearts Around

## Black Mountain

Don't run our hearts around,  
Don't hit 'em to the ground.  
Let's find a better place,  
And quit this whole damn race.

I've planned our great escape,  
Through lens and wire.  
I'm fast but you are quick.

Don't run our hearts around.

What they said,  
What they said you could become.  
Hit the lights,  
You're the chosen one.  
What they said you could become.

Don't run our hearts around.
