Cute

D.R.A.M.

Hey, heyKnow that shit just happened
But by her reaction
You would think I been the man
You make it look easy
Even though it's cliche I saw you on your Instagram andI think you're cute, I think you're cute
Oh yes I do, I think you're cute
I think you're cute, I think you're cute
Oh yes I do, I think you're cuteBaby we can go out to the movies
I know that's something you want to see
Wondering about me, you know I'm a foodie
So you know I'll take you for a bite to eat becauseI think you're cute, I think you're cute
Oh yes I do, I think you're cuteGirl we need to go out on a date
We can really do a little something
If it's cool I'll pick you up at 8
We can really do a little something
We can really do a little something baby
Looking at this pretty face, it drives me crazyI think you're cute, I think you're cute
Oh yes I do, I think you're cute
I think you're cute, I think you're cute
Oh yes I do, I think you're cuteI just had to park my car cause I was finna crash the whip
Scrolling through my feed I saw you just had post a pic
I choose you like a PokÃ©mon
I choose you, you're selection one
I got money, you got money too
So let's go half on rent
When I buy you a new purse it's because you bought my kicks
I move fast like a brand new car
I move fast like a shooting star
If I say we married then God damn we getting married
If you need it and I got it you can have it bitch I'm sharing
If you crying I'ma ask you why you crying bitch I'm caring
If you need me to look out for you I'm posted and I'm staring
Thou should never have another boyfriend I get jealous
Yeah I'm almost red a little bit, I get crazy as a felon
I choose you now you have to deal
But you're so cute you can make me chillI think you're cute, I think you're cute
Oh yes I do, I think you're cute
I think you're cute, I think you're cute
Oh yes I do, I think you're cuteGirl we need to go out on a date

We can really do a little something
If it's cool I'll pick you up at 8
We can really do a little something
We can really do a little something baby
Looking at this pretty face, it drives me crazy
