

Barbie Girl

Ben l'Oncle Soul

You're a blond, bimbo girl in a fantasy world
You dress up, make it tight, you're my dolly
You're my doll, Rock 'n Roll, feel the glamour in pink
Kiss me here, touch me there, hanky panky You can touch, you can play
If you say, "I'm always yours" You're my Barbie girl in a Barbie world
Life in plastic, it's fantastic
I can brush your hair, undress you everywhere
Imagination, life is your creation Come on Barbie, let's go party
Come on Barbie, let's go party
Come on Barbie, let's go party
Come on, come on Make you walk, make you talk, do whatever I please
You can act like a star, you can beg on your knees
Come jump in, bimbo friend, let us do it again
Hit the town, fool around, let's go party You can touch, you can play
If you say, "I'm always yours" Come on Barbie, let's go party
Come on Barbie, let's go party
Come on Barbie, let's go party
Come on, come on You're my Barbie girl in a Barbie world
Life in plastic, it's fantastic
I can brush your hair, undress you everywhere
Imagination, life is your creation Come on Barbie, let's go party
Come on Barbie, let's go party
Come on Barbie, let's go party
Come on, come on You're my Barbie girl in a Barbie world
Life in plastic, it's fantastic
I can brush your hair, undress you everywhere
Imagination, life is your creation
