One two, one two three fourWhen 8 o'clock rolls around
And the same old shit is gettin' down
Go to 10th street, yeah 10th street
If you don't want D and you don't want that crap
But you gotta get the monkey off ya back
Go to 10th street, 10th streetWe got what ya need
A pillow bag with much to many seeds
Up on 10th street
Baby, baby, baby keep it down
I believe I see the manLook around as much as you like
Smell the bags and hold on tight on 10th street

They'll gladly snatch your cash
Give 'em shit and call it hash on 10th street

A pillow bag with much to many seeds
Up on 10th street
Baby, baby, baby keep it down
