It Will End In Tears

Philip Selway

Welcome back hang out the flags I'm not bitter
Well hey for you
You stole the show
Back from the cold
Did you miss me?
Bet you stayed in all the timeRemember me?
I used to be something didn't I?
But it's not my time now
I'll be leaving
Stay inside
I hate goodbyes
Don't be bitter now
We could spend a lifetime in a weatherhouseWhere have you been?
What made you leave?
I'm still waiting impatiently
You and I side by side
Always missing
One for rain and one for shineRemember me?
I used to be something didn't I?
But it's not my time now
I'll be leaving
Stay inside
I hate goodbyes
Don't be bitter now
We could spend a lifetime in a weatherhouse
