Dicknail

Hole

Hey daddy....
come over here, yeah.
Got something for you.
Dicknail.
She liked it.
You know she liked it.
Well, she was asking for it.
Dicknail.
I said, I said,"Stop."
I did what you said.
I did what you want.
I was a good girl.
I was a good girl.
I said, I said,"No."

Hey daddy....
one thing's for certain, baby.
You have my guarantee;
you won't forget me.
I said, I said,"Stop."
I did what you said.
I did what you want.
I was a good girl.
I was a good girl.
I said, I said,"No."
Do you remember Christmas morning?
You know it's real beacuse.
Well, here comes Santa Claus.
Well she liked it; you know she liked it.....
I'm on your fat claw.
