Secrets Of The Sea

Wilco

Who can guess the secret of the sea?
Who can guess the secret of the sea?
If you can guess the secret of my love for you
Then we both could know the secret of the sea
Tell me could you ever tell the secret of the sea?
These high rolling waves along the shore
The footprints of the lovers that come here to love
By the tides washed away forever more
Who can guess the secret of the sea?
Who can guess the secret of the sea?
If you can guess the secret of my love for you
Then we both could know the secret of the sea
You claim to know the secret of a kiss and a hug
The secret of the grass and of the trees
If you can tell the secret of a warm friend's hand
Then we all would feel the secret of the sea
Who can guess the secret of the sea?
Who can guess the secret of the sea?
If you can guess the secret of my love for you
Then we both could know the secret of the sea
We both could know the secret of the sea
