Can't Stop

Lake Street Dive

Cuz I can't stop your love
I can't stop
I can't stop
Just can't get enoughI can't stop
No giving it up
I can't stop your love
I can't stop
I can't stop
Just can't get enoughI can't stop
No giving it up
I don't want to feel this way
Every time I see ya
But my jealous mind
Needs you all the time
Every night and every day
Everywhere I see ya
I can't help it and I
Can't be satisfied
Cuz I can't stop your loveI can't stop
I can't stop
Just can't get enough
I can't stop
No giving it up
I can't stop your love
I can't stop
I can't stop
Just can't get enoughI can't stop
No giving it up
You hit me like gravity
Everywhere I feel you
You can change the tide
Infinite and wide
I don't want to feel this way
Every time I see you
But my jealous mind
Needs to know you're mineCuz I can't stop your love
I can't stop
I can't stop
Just can't get enough

I can't stop
No giving it up
I can't stop your love
I can't stop
I can't stop
Just can't get enough
I can't stop
No giving it up
