

# Burndt Jamb

## Weezer

Gothic flavor  
How i miss you  
If i only  
once could kiss you

I'd be happy  
For one moment  
Of my lifetime  
I'd be there

And the water  
Running over  
Me is growing  
Ever colder

Make me happy  
For one moment  
Of my lifetime  
I'd be there
