

My Little Boy

Nellie Lutcher

My little boy,
My little boy,
You are my pride and joy.
I love you, I love you,
I love you, I love you,
My little boy.

Your little cry,
Your little smile,
Surely makes my life worthwhile.
I'm so proud of you.
Heaven knows I love you,
My little boy.

Day after day,
Year after year,
You bring happiness to me.
I just can't see,
What life would be,
Without you my little darling.

My little boy,
My little boy,
You are my pride and joy.
I simply adore you,
Heaven knows I love you,
My little boy.

Oh how I thank,
The Lord above,
For giving me,
Little you to love,
I simply adore you,
Heaven knows I love you,
My little boy.
