

# With A Little Help From My Friends

Ringo Starr

Okay, another one of those songs you all know and love and you all know  
The words so I want to hear you  
Louder than the band this time, okay? Yeah!  
I said louder than the band this time, okay?  
Yeah! Thank you! Ha! Ha! Pretty frightening when you do that!  
What would you do if I sang out of tune  
Would you stand up and walk out on me?  
Lend me your ears and I'll sing you a song  
And I'll try not to sing out of key. Oh, I get by with a little help from my friends,  
Mm, I get high with a little help from my friends,  
Oh, I'm gonna try with a little help from my friends. What do I do when my love is away?  
(does it worry you to be alone?)  
How do I feel at the end of the day?  
(are you sad because you're on your own?) No, I get by with a little help from my friends,  
Mm, I'm get high with a little help from my friends,  
Oh, I'm gonna try with a little help from my friends. (do you need anybody?)  
I need somebody to love.  
(could it be anybody?)  
I just want someone to love. (would you believe in a love at first sight?)  
Yes, I'm certain that it happens all the time.  
(what do you see when you turn out the light?)  
I can't tell you but I know it's mine. Mm, I get by with a little help from my friends, let me see the figures!  
High with a little help from my friends,  
Mm, I'm gonna try with a little help from my friends. (do you need anybody?)  
I need somebody to love.  
(could it be anybody?)  
I just want someone to love. Hey!  
(do you need anybody?)  
I need somebody to love.  
(could it be anybody?)  
I just want someone to love. (would you believe in a love at first sight?)  
Certain that it happens all the time.  
(what do you see when you turn out the light?)  
I can't tell you but I know it's mine. Oh, I get by with a little help from my friends,  
Mm, I get high with a little help from my friends,  
Oh, I'm gonna try with a little help from my friends.  
Oh, I get by with a little help from my friends,  
With a little help from my friends. Two, one, two, three, four, hey!  
Hey! Hey! Come on!

Okay, you've been such a great audience, I love you all!  
Don't forget it's peace and love and thank you once again.  
Thank you and good night!  
Good night!  
(By with a little help from my friends) [Repeat: x8]
