

Highflyer

Jeanette Biedermann

Night and day, come what way
You know that I'm in love, babe
(Okay)
Too much is not enough, yeah
You are my darling angel You must be sent from up above
Thanks for giving your love Highflyer, highflyer
He's so really irresistible
Highflyer, highflyer
Baby, you light up the sky, up the sky, up the sky What about the long run?
We live only pure fun
Never felt so right, babe
You are my darling angel
(Okay) You must be sent from up above
And thanks for giving your love Highflyer, highflyer
He's so really irresistible
Highflyer, highflyer
Baby, you light up the sky, up the sky, up the sky You must be sent from up above
(Okay)
You must be sent from up above Highflyer, highflyer
Highflyer, highflyer
Highflyer, highflyer Highflyer, highflyer
He's so really irresistible
Highflyer, highflyer
Baby, you light up the sky, up the sky, up the sky
