Last Breath

Hatebreed

All the prayers in the world can't bring you back
It's your last breath, this is our last breathTaken from this earth without warning
Victim of the ultimate injustice
Nothing will ever make sense of this
Nothing could have prepared meAll that is left are memories
And the pieces of a shattered existence
I wish I could bring you back
I felt your last breathIt's your last breath, this is our last breath
All the prayers in the world won't bring you back
It's your last breath, this is our last breath
Last breath
