Forest For the Trees

John Lingard

Homeseek
Heartache
Old Friends
Escape
Bright lights
Late nights

I couldnÂ´t see the forest for the trees
You showed me
Hide and seek where Finders Keep
You found me
Hook and line for the moment in time
You caught me

Romance
Cold Hands

Fireworks donÂ´t last

I couldnÂ´t see the forest for the trees
You showed me
Hide and seek where Finders Keep
You found me
Hook and line for the moment in time
You caught me
