Impossible

Sara Watkins

Is it impossible to learn to love
Start giving all Ive got to give
Find out what Im made of
Untether the ties and decide
From a heart someone mine will
If it isnt impossible
Why couldnt you be hereIs it impossible to be truly loved
The answer to somebodies question
Theyve been in search of
To be one and for all
That I am midnight moon or midnight sun
If it isnt impossible
Why couldnt you be that oneIs it impossible to learn to love
Start giving all Ive got to give
Find out what Im made of
Untether the ties and decide
From a heart someone mine will
If it isnt impossible
Why couldnt you
