Taking Over Me

Evanescence

You don't remember me but I remember you
I lie awake and try so hard not to think of youBut who can decide what they dream and dream I doI believe in you
I'll give up everything just to find you
I have to be with you to live, to breathe
You're taking over meHave you forgotten all I know and all we had
You saw me mourning my love for you and touched my handI knew you loved me thenI believe in you
I'll give up everything just to find you
I have to be with you to live, to breathe
You're taking over meI look in the mirror and see your face
If I look deep enough
So many things inside that
Just like you are taking overI believe in you
I'll give up everything just to find you
I have to be with you to live, to breathe
You're taking over meI believe in you
(I believe in you)
I'll give up everything just to find you
I have to be with you to live, to breathe
You're taking over me
(Taking over me)You're taking over me
(Taking over me)
Taking over me
