Johnny Mathis

(Patti Austin)
Ooo ... Ooo ... Ooo... Ooo ... Ooo ... Ooo... Ooo...(Johnny Mathis)
Hmm ... Hmm ... Hmm ... Hmm ... Hmm ... Hmm ...(Patti Austin)
Lover you brought me love
You gave me peace of mind
You never asked for anything back
You've changed my life(Johnny Mathis)
Lover you brought me hope
You gave me reason to try
For once it's my turn to show you
You'll always be the only one
You gave all you got(Patti Austin)
But it's you who brought me love
Brought me love
Lover I'll take your hand
Through the roughest of times(Johnny Mathis)
And I'll be here for you
Like you've been here for me
A thousand times(Patti Austin)
I'll do just as you've done(Johnny Mathis)
I'll do just as you've done(Patti Austin)
For you who've brought me love(Johnny Mathis)
For you who've brought me lovePatti & Johnny
It's You who've brought me love(Patti Austin)
How many times(Johnny Mathis)
How many times(Patti Austin)
In your life times(Johnny Mathis)
In your life times(Patti Austin)
Do you find
A lover who is a loving friend(Johnny Mathis)
Never asking anything more(Patti Austin & Johnny Mathis)
Who's there in the endThere I touch your face
Holding you tonight
Knowing we've got tomorrow(Johnny Mathis)
And for all we've come through(Patti Austin & Johnny Mathis)
We'll get by(Patti Austin)
These words won't say enough(Johnny Mathis)
These words won't say enough(Patti Austin)
I've nothing here but love(Johnny Mathis)

I've nothing here but love(Patti Austin)
It's you who've brought me love(Johnny Mathis)
It's you who've brought me love(Patti Austin)
