We're Looking For The Whales

A-ha

One left low, left two who left high
They seem so hard to find
Three came twice, took once the time to search
We're looking for a little bewildered girl
We're looking for a little bewildered girl
We're looking for the whales
Restlessness is in our genes
Time won't wear it off
Born to this world with our eyes wide open
Girl, we're looking for a little bewildered girl
We're looking for a little bewildered girl
We're looking for the whales
Oh girl, we're looking for a little bewildered girl
We're looking for a little bewildered girl
We're looking for the whales
I found angels
Beached outside your doors
Don't you set those lonely eyes on me
Oh girl, we're looking for a little bewildered girl
We're looking for a little bewildered
We're looking for the whales
(Girl)
We're looking for the whales
(Oh yeah, oh whales)
Looking for the whales
We're looking for a little bewildered
(Looking for the whales)
We're looking for a little bewildered
(Looking for the whales)
