Girls Against Boys

The pleasure - what cost
Craxi - what cost
All right
Club now kiss the strobe light
Club now 98 99
I can dig it
What ever
I can dig it
Yeah club now music lover
The music is cool right forever
Whatever
We all want to live so much better
So play it kiss it just enough crazy
Just enough crazy
Forever alright alright alright
Craxi - club now I know everyone
I know everyone don't even know myself
whatever
Club now ya get to feel unreal
My baby it's for real
Ya get to feel unreal
Whatever
Can just be live 2x
It's not a waste of time
It's not a waste of time
Craxi - The pleasure - what cost
Yeah maybe I don't want to feel alright
Whatever
Yeah maybe I don't even know myself
Whatever
Alright alright alright
