

Thank You

White Denim

Want to be good, yes I want to
Make you feel good, because I need to
When you are not here, I want to see you
And make you feel good, yes I need to...Say thank you
I wanna thank you (we made it)
Thank you
You know I gotta thank you (we made it)Can't help but smile thinking 'bout you
Wouldn't want to have to live without you
Wandering lost until I met you
You showed me the way and I can't forget to...
Run away to your heart
Want to find a way
Wanna run away to your heart
Gonna find a wayI gotta thank you
Thank you (we made it)
I really wanna thank you
I gotta thank you (we made it)
Gonna run away to your heart
Want to find a way
Wanna run away to your heart
Gonna find a way
