

Noble Savage

Clutch

Thank you for taking time out of your day
Your responses will allow us to serve you in a better way
Did you not take into account I'm an uncivilized man?Unapologetic lifer for Rock and Roll
Unapologetic lifer for Rock and RollTen words or less, can you describe yourself?
Your religion, your politics, your general health?
Did you not take into account I'm a noble savage?Unapologetic lifer for Rock and Roll
Unapologetic lifer for Rock and RollIt's been a blast discussing my lifestyle
But as you can see, I got styles for miles
Did you not take into account I'm a sophisticated man?Unapologetic lifer for Rock and Roll
Unapologetic lifer for Rock and Roll
Unapologetic lifer for Rock and Roll
Unapologetic lifer for the Rock and Roll
