

Rajput

Richi Banna

Rajput hai hum Rajput
Raj karna hamari aadat hai
Chahe wo dilo pe ho ya kilo pe

Richi banna

Khoon ki baat hai baat kuch or nahi
Rajput ko dabade kisi ki okat nahi (kisi ki okat nahi) kar denge hum sab kuch raakh
Seene me hamare aag chalta hai chalta rahega rajputi raaj are rajputi raaj
Aankhen karo neechi or ho jao chup

Aye aye aye aye aye aye Rajput x6

Pehle to hum Rajput
duja ye hamara roop
Teeje beta bach ke rahiyo
chaar tujhe pad jane joote
sahi mano ya kharab
nahi denge hum jawab
duniya puri piti sharab
hum hi kyo de hisab

Shok hai hamara or hum ise bade Shok se pura karte hai

Kya tumhare pass hai
apna koi itihas hai
Rajput hona bhi bahut khaas baat hai
bahut khaas bat hai

Bachpan mein jo tumne kahani hai padhi wo humpe hi likhi or hum pe hi bani
Are hath jod ke khade hoke hath jod ke khade hoke karte log khamma ghani karte log khamma ghani
Aankhen karo neechi or ho jao chup

Aye aye aye aye aye aye Rajput x6

Haldighati mein Haldighati mein Haldighati me saban ladayo wo chetak ro aswar katthe
Mayad tharo wo put katthe wo ek ling deewan katthe wo Maharana wo Maharana
wo Maharana Pratap katthe
wo Maharana Pratap katthe X2

Hum naate na haate
Tumne chaha Na Bate
Aaj me tumhe bata du
Maharana Pratap katthe
Aan baan shaan me
Or humare samman me
Bat saat jaat me
Or hamari okat mein
Dilo ke hum badshah
Jab chahe to azma
Tu to kya tera baap bhi kehta
Jai maji sa jai maji sa
(jai maji sa jai maji sa)

Ankhe karo neechi or ho jao chup
Aye aye aye aye aye aye Rajput x6

Chahat teri mitne na denge
Sir tera jhukne na denge
Rajputana teri kasam
Hum tujhe marne Na denge
Na re Na Hum ko Na darana
Humse darta hai ye zamaana
Jai Rajputana
Ek bar jo ek huye to
Fir na chalega koi bahana
Jai Rajputana

Khamma khamma khamma khamma khamma ghani sa
Ab hoga mujhe jana jila mera bali or
Boya hai thikana (Boya hai thikana)

Jai Rajputana jai jai Rajputana jai jai Rajputana jai jai Rajputana X2

Ek bar phir se
Aye aye aye aye aye aye Rajput x6

Gana to khatam ho gaya Par Rajputana udaiyushaali
