

Top Of The World

Owl City

It's my time, and right now, I'm going for it
It's my turn to take on the world
And right now, the sky is my only limit
Yeah, I'm ready to take on the world
It's my time, and right now, I'm moving forward
It's my turn to reach for the stars
And right now, it's cold, but I'm getting warmer
It's my turn to live on the edge
It's high time like dark days without an order
Yeah, I'm ready to take on the world
Oh, I'm a satellite,
Because I'm over the moon tonight
Oh, feeling so alive,
'Cause I'm on top of the world tonight
Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
Oh, feeling so alive,
'Cause I'm on top of the world tonight
It's my time to burn like a wildfire
It's my turn to rise to the top
I'm so stoked, with flames keep on getting higher
And I'm ready to take on the world
It's my time, and right now, I'm going for it
Yeah, I'm ready to take on the world
Oh, I'm a satellite,
Because I'm over the moon tonight
Oh, feeling so alive,
'Cause I'm on top of the world tonight

Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
Oh, feeling so alive,
'Cause I'm on top of the world tonight
Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight

Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
Oh, I'm a satellite,
Because I'm over the moon tonight
Oh, feeling so alive,
'Cause I'm on top of the world tonight
Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
Oh, feeling so alive,
'Cause I'm on top of the world tonight
Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
Whoa-oh-oh-oh-oh-oh
I'm on top of the world tonight
