# In the Midst

## xhmÐ†

I need about a thousand of you to jump up on your feet
And give God some in the midst praise
In the midst of what I'm going through
Come on
Come on y'all
God we are showing you in this room
That we know how to praise you
In the midst of everything that we're going through
Come on, come on, come on
Come on put your hands together
Thank you God that we know how to praise you
In the midst of our struggles
And everything that we deal with
Hallelujah!
Come on let's say it like this(Byron sings)
In the midst of pain
In the midst of tears
In the midst of struggles
In the midst of all who's hereI got a word from heaven
Just to let you know
That the things you're facing
You can't conquer on your ownWhen it still looks like
There's no hope in sight
But I got good news
This is what you need to do
When the trouble comes
It's not the time to quit
But throw up both your handsCHORUS:
Praise Him in the midst
Of my trials
He'll be a present help in trouble
In the rain, don't bend
Just fight until the endTye Tribbett make some noise(Tye tribbett sings)
Now I was on my knees
And you couldn't have known, oh
Cuz the things I'm facing
I can't conquer on my own
But my hope and trust is in what you said
I cast all my cares on youCHORUS:

Praise Him in the midst
Of my trials
He'll be a present help in trouble
In the rain, (don't give in) don't bend
Just fight until the endClap your hands like this y'all(Choir sings) Praise Him in the midst
(Tye sings) In the midst of recession, oppression, life stressing
(Choir sings) In the midst
(Byron) In the midst of high prices, gas prices, I will
(Choir sings) In the midst
(Tye) Some times life causes me to lose my breath
(Choir) In the midst and I will praise Him
In the midst
oooooooooooooooooohhhh
In the midst
I'm gonna lift my hands and give you the glory
In the midst
ooooooooooooooohhh
In the midst I'll praise his nameEverybody just clap
ooooooooooooooohhh
Over here now
Now everybody just clap your hands
Come on come on
And when it gets real hard this is what you gotta do Tye
Say, hold onHold on
Hold on
Hold on
Trials don't last always
Hold on
Hold on
Hold on
You're gonna make it
Hooooold
Hold on
Hold on
Trials won't last always
Hold on
Hold on
Hold on
You're gonna make it
In pain
Hold on
In sickness I'll hold on
Hold on
Hold on
Yes I will

I'm gonna praise you Jesus
In the midst of it all
All you gotta do is hold onClap your hands everybody
We made a decision tonight
That we will bless the Lord at all times
That means good times
That means bad times
Anybody came to bless the Lord sing!
