Things I Didn't Say

Adam Lambert

Maybe I got it wrong
How did I turn you off
'Cause now you're out of my reach
Maybe I played too safe
How did I pull away
Am I too blinded to seeI'd been hoping you'd catch up somehow
Like I'm way too far ahead
Every time I think I'm gaining ground
I'm misunderstood againI thought that I said it
In the things that I didn't say
I thought that you felt it
In the games that I didn't play
So let the record show
I never let you go
Can we get back on track, oh
I thought that I said it
In the things that I didn't sayOh oh (hey hey)
Oh oh (Hey hey), oh oh
In the things that I didn't say
Oh oh (hey hey), oh oh
(Hey hey), oh oh (hey hey)
In the things that I didn't sayWhat if I shout it out
What if I take a vow
Wouldn't you think it's too much
What do you want from me
Thought it was going deep
Guess it was never enoughI'd been hoping you'd catch up somehow
Like I'm way too far ahead
Every time I think I'm gaining ground
I'm misunderstood againI thought that I said it
In the things that I didn't say
I thought that you felt it
In the games that I didn't play
So let the record show
I never let you go
Can we get back on track, oh
I thought that I said it
In the things that I didn't sayOh oh (hey hey)
Oh oh (Hey hey), oh oh

In the things that I didn't say
Oh oh (hey hey), oh oh
(Hey hey), oh oh (hey hey)
In the things that I didn't sayI thought I told you
(In the things, in the things)
I thought I told you
(In the things, in the things)
I thought I told you
(In the things, in the things)
(In the things, in the things)I thought that I said it
In the things that I didn't say
I thought that you felt it
In the games that I didn't play
So let the record show
I never let you go
Can we get back on track, oh
I thought that I said it
In the things that I didn't sayOh oh (hey hey)
Oh oh (Hey hey), oh oh
In the things that I didn't say
Oh oh (hey hey)
Oh oh (Hey hey), oh oh
In the things that I didn't say
