Love Drunk (French 75)

Seneca da Product

Love Drunk (french 75)

a whole lot pf touching
a whole lot of rubbing
im all the way up
canâ€™t tell me nothing
slurring my words
forgive me Im drunk and feeling to good at this moment
Im totally enjoying this moment
Im toe and Iâ€™m drunk
Drunk off this love
sipping and leaning
Im bent off this love
off of this love
I am so drunk
canâ€™t walk a line
wait a minute,
drunk.

(verse 2)

Totally intoxicated
consuming large amounts
about to get a DUI
think I better let her drive
cause Iâ€™ve been on this all night long
bet ill feel it in the morning
whats in this cup got me confident
squeezing and cuffing my compliment
body so hot need a oven mitt
thang is so wet I just splash in it
I am so drunk
canâ€™t walk a line
wait a minute
drunk.

(verse 3)

French 75
no sugar no lime
nicer on ice
with the stirrer inside
baby you know
you got me for sho
im am so gone
so drunk of your loving
all I want to do is
room a zoom zoom and a boom boom
cuz your love is the drink
and the Bar is the bedroom
love drunk.
