## Amenra

carry withina fear
that blossoms on skinforever alonesorrow says
bury my bonescarry within
regret
for everything
tear old pain awayI renounce this day and
I renounce every wound
made in my flesh
made by my fleshare you awake? what did you see?I'm a sudden hissing,
right behind your ear.
a white noisebut it's quiet nowI am reason
I am fearinflict.
I call out
and you fear meI call out
and all the brothers in the world they hear mebut the pain remains the same
