

Boden (Vinyl Version)

Amenra

carry within a fear
that blossoms on skin forever alone sorrow says
 bury my bones carry within
 regret
 for everything
 tear old pain away I renounce this day and
 I renounce every wound
 made in my flesh
 made by my flesh share you awake? what did you see? I'm a sudden hissing,
 right behind your ear.
 a white noise but it's quiet now I am reason
 I am fear inflict.
 I call out
 and you fear me I call out
 and all the brothers in the world they hear me but the pain remains the same
