I've got a crazy little mama  
Lord, she's my heart and soul  
I don't even have to tell ya  
She knows how to rock and roll  
Well this crazy lovin' mama  
Makin' everything all right  
I don't even have to tell ya  
She makes things seem outta sight  
All right  
Whenever I'm down  
And nothings going right at all  
I just think about my baby  
And all I've got to do is call  
When the evening's looking pretty  
And the day's hanging out too long  
I know my baby cares about me  
Right or wrong  
It took a long time to find her  
It took a lot of laughs and tears  
It took a long time to find her

It took me 22 years  
I've got a crazy little mama  
Said, lord, she's my heart and soul  
Yeah yeah yeah yeah yeah  
I don't even have to tell ya  
She know's how to rock and roll  
Well this crazy lovin' mama  
Makin' everything all right  
Yeah  
I don't even have to tell ya  
She makes things seem outta sight  
All right  
It took a long time to find her  
It took a lot of laughs and tears  
It took a long time to find her  
It took me 22 years

Oh my  
22 years  
22 years
