# Jesus online

## Dan BÃ¡rta

Whatever she wants from me
Whatever device
Whether in kindness
Whether in spite
What can I say?
What can I do?
I can't help myself
I let the monster through
Wherever she sends me
Wherever the plane
Perfect black dress
And perfect grave
What can I say?
What can I do?
I did it to myself
I did it all confused
Jesus online
Wires around the world
Feel invincible
Computer car and girl
Jesus online
Wires around the world
Feel invincible
To be perfect just like you
To be perfect just like you
Whenever she comes with me
Whenever we break
Dress up my apathy
Pretend we're great, great, great
Jesus online
Wires around the world
Feel invincible
Computer carbon girl
Jesus online
Jesus online
Jesus?
Jesus?
Jesus?
Jesus online

Arms around the world
Feel invincible
To be perfect just like you
To be perfect just like you
Jesus, Jesus online, Jesus
To be perfect just like you
To be perfect just like you
To be perfect just like you
To be perfect just like you
Arms around the world
To be perfect just like you
Arms around the world
To be perfect just like you
Arms around the world
To be perfect just like you
Arms around the world
Arms around the world
Arms around the world
