I'm Alright

Bucky Covington

I woke up this morning in my memory again
And got lost in way back when you woke up by my side
But I'm alright tonight
Yeah, I'm alright tonightI don't know why I turned 'round when I left the house
Just took me back where we went south and we made each other cry
But I'm alright tonight
Yeah, I'm alright tonightSee I can't stand to think of you with anybody else
There ain't a bottle or a bar so far that seems to help
Today was not a good day to convince myself that I'm alright
Yeah, but I'm alright tonightI guess I really should have called before
I showed up drunk at your front door
I had to see with my own eyes
That you're alright tonight
Yeah, you're alright tonightSee I can't stand to think of you with anybody else
There ain't a bottle or a bar so far that seems to help
Today was not a good day to convince myself that I'm alright
Yeah, but I'm alright tonightI don't want a cup of coffee
I don't have a lot to say
I don't really need to come inside, girl
Just save it for the rainy dayHey, 'cause I'm alright
Yeah, I'm alright tonight
I don't really wanna kiss you
But I'm alright tonight
Baby I don't really miss you
'Cause I'm alright tonight
Hey, I'm alright
Baby, I'm alright
Yeah, but I'm alright tonight
