

# Alone.

## The Morning After Girls

I hear the tickin' of the clock  
I'm lying here the room's pitch dark  
I wonder where you are tonight  
No answer on the telephone  
And the night goes by so very slow  
Oh I hope that it won't end though  
AloneTill now I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone  
How do I get you alone?  
How do I get you alone?You don't know how long I have wanted  
To touch your lips and hold you tight, oh  
You don't know how long I have waited  
And I was going to tell you tonight  
But the secret is still my own  
And my love for you is still unknown  
AloneOhh  
Till now I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone  
How do I get you alone?  
How do I get you alone?How do I get you alone?  
How do I get you alone?  
Alone, alone
