

All Around The World

Mindless Behavior

MB

all around the w-w-world
beautiful girl, girl, girl
uh girl come through this gate in this place lookin' for one,
where is that one girl?
cause everywhere that i go its like i see you around
am I chasing you or are you chasing me?
I've looked everywhere don't know where you could be but if you come with me now,
we'll make our way through the crowd,
and when they see us
we'll be shutting it down
im goin' all around the world!
put your hands in the sky,
wave 'em side to side,
I'm looking for you
all around the world,
girl wherever your heart is,
I gotta find it
oh x9
wherever your heart is i gotta find it
oh x9
im lookin' for you all around the world i don't know why you so shy when you're swag is so fly
pretty brown eyed, girl
there aint a star in the whole galaxy that can light up the
night like you
do it for me
so if you wanna rock on then baby stand up
until the sun hits the ground we on the dance floor but if you come with me now,
we'll make our way through the crowd,
and when they see us
we'll be shutting it down
im goin' all around the world!
p-put your hands in the sky,
wave 'em side to side,

but if you come with me now,
we'll make our way through the crowd.
And when they see us, we'll be shutting it down, and goingall around the world!
p-put your hands in the sky,
wave 'em side to side,
I'm looking for you
all around the world,
girl wherever your heart is,
