Dirty Dog

Juliana Hatfield

Baby I know you want to get high
Well I wont cry if you get between my sheets
Maybe bleed on me
You can say you love me over and over again
Ill still be your friend
But Im not down with the dirty dogYou can blow your smoke
Right in my face and come three hours late
You can steal my concept
And drink my wine and break my shadesYou can slip me over from behind that would be alright
But Im not down with the dirty dog
I better see fear in your eyes when I draw the line
Im not down with the dirty dog
