Stay Lonely

Empires

...
Molly,
Can you play one more, for me?
With a verse explaining, how one's heart turns off
With a refrain saying you'll stay lonely
That you'll stay home, on Saturday nights
Tell me your tragic lullaby
How it's hard to feel exiled in the mirror
I hope that you stay lonely
That you'll stay home, on Saturday nights
Longing for someone, you used to be
Tell me that you're leaving
I hope you reveal that you'll stay lonely
That you'll stay home on Saturday nights
Longing for someone you used to be
Oh stay
...
Home at night
...
Used to be
