Joy Division

3, 5, 0, 1, 2, 5

GoI was there in the back stage

When this light came around

I grew up like a changeling

To win the first time aroundI can see all the weakness

I can pick all the faults

Well, I concede all the faith tests

Just to stick in your throats31G, 31G, 31GHung around in your soundtrack

To mirror all that you've done

To find the right side of reason

To kill the three lies for oneI can see all the cold facts

I can see through your eyes

All this talk made no contact

No matter how hard we tried31G, 31G, 31GI can still hear the footsteps

I can see only walls

I slid into your man-traps

With no hearin' at allI just see contradiction

Had to give up the fight

Just to live in the past tense

To make believe you were right31G, 31G, 31G3, 5, 0, 1, 2, 5
