Maestro Fresh Wes

[Maestro]

Maestro

This joint over here is dedicated to all the single mommrys

All the single mommrys worldwide this is for y'all

Maestro just hold your head

For real check this shit out

yoYou're a black Mona Lisa named Tanisha

Bonafide features

Aires' my sign you're a libre

Got my open on your Etheopian attitude

Your body queen of the empire I feel your fire

Your eyes are hazel, and everytime that your perform graze my nasal

I wanna french kiss your naval

Got the joint I wanna put a lock on, box I wanna knock on

Give me a finger one time, I'll put a rock on

I used to dick many, I stick plenty

Now I sit back, relax, cool out

And meditate on a life I never thought of before

You got me open, look what's happenin'

Ill thoughts are vanishin'

I'm managin' to formulate goals and plans

Plus I know your daughter love me

'Cause everytime I leave your crib she wanna hug me

But don't sweat it, I'll treat her like my own

You're not alone, let's build a home

I'm in the zone[Chorus: Jason Simmons]

We got it sewn, baby

We got it sewn

You're never alone

'Cause we got it sewn[Maestro]

You make me wanna effervess when I hit your treasure chest

Never fess, finish college though, boo

Just one semester left

And they'll never be a cuter nurse, that's how I feel

It's me and you against the universe, you know the deal

I represent the land, you represent the water

Motivated by your strength, plus the way you raise your daughter

(on the real) She's a part of me, 'cause she's a party of you

To start a family, is what I wanna do

Alot of niggas can get a single mother stressed
Get the child attatched, then the brothers wanna jet
You know my repitoire, I'll never leave you
'Cause you're top-notch
Just like the cutie that my pops got
I hold it down with your crib still
I taught your daughter how to read and plus I'll help you keep your fridge
fill
So study hard, I got your back, you're not alone
Let's build a home, I'm in the zone[Chorus][Jason Simmons]
I'll be the shoulder you can cry on
I'll always be around
No need to worry 'bout a thing
I'll never let you down
We got it sewn[Maestro]
I never met a greater dime, you were made to shine
Single motherhood ain't easy, but you keep your state of mind
A special friend to me, your ebony shell is heavenly
Your pedigree, your feminity is givin' me energy
To make a flyer plan, movin' to a higher land
Fuck walkin' behind, boo, you walk beside your man
That's what the others say, but you got another way
Don't get out of bed, sweetheart, happy mothers day
You know the deal, I got your back, you're not alone
We got it sewn, Let's build a home
I'm in the zoneAll the single mommys, just hold your head
Mr. Maes' signing out now[Chorus]
