

Small Axe (featuring King Stitch)

Buju Banton

Small axe fall big tree
Though I'm just a baby
Safe in your arms
That's where I want to be
Small axe fall big treeSmall axe fall big tree
Though I'm just a baby
Safe in your arms
That's where I want to be
Small axe fall big treeBeen on your love line for so long
Won't you be mine age is no crime
Been loving you every minute every hour
All I ever needSmall axe fall big tree
Though I'm just a baby
Safe in your arms
That's where I want to be
Small axe fall big treeSmall axe fall big tree
Though I'm just a baby
Safe in your arms
That's where I want to be
Small axe fall big treeAnd I know you won't treat I like others would
Warm embrace truly I feel good
So much to learn, this heart inside I burn
And I'm still be right here waiting my turnSmall axe fall big tree
Though I'm just a baby
Safe in your arms
That's where I want to be
Small axe fall big treeSmall axe fall big tree
Though I'm just a baby
Safe in your arms
That's where I want to be
Small axe fall big tree(Solo)Small axe fall big tree
Though I'm just a baby
Safe in your arms
That's where I want to be
Small axe fall big treeSmall axe fall big tree
Though I'm just a baby
Safe in your arms
That's where I want to be
Small axe fall big treeBeen on your love line for so long

Won't you be mine age is no crime
Been loving you every minute every hour
All I ever need Small axe...
