

# Prisoner of Love

## El Brujo's Gore-Chestra

Alone from night to night you?ll find me  
Too weak to break the chains that bind me  
    I need no shackles to remind me  
    I?m just a prisoner of love  
For one command I stand and wait now  
From one who?s master of my fate now  
    I can?t escape for it?s too late now  
    I?m just a prisoner of love  
    What?s the good of my caring  
If someone is sharing those arms with me?  
    Although she has another  
    I can?t have another for I?m not free  
    She?s in my dreams awake or sleeping  
    Upon my knees to her I?m creeping  
    My very life is in her keeping  
    I?m just a prisoner of love  
    What?s the good of my caring  
If someone is sharing those arms with me?  
    Although she has another  
    I can?t have another for I?m not free  
    She?s in my dreams awake or sleeping  
    Upon my knees to her I?m creeping  
    My very life is in her keeping  
    I?m just a prisoner of love
