You're glorious
Magnificent
Your name is holy, holy
You're wonderful
Spectacular
Your name is holy, holyI searched the world
To find true love
And now I know your nameI find my freedom in your name, Jesus
I find my power in the name of Jesus
Your name is truth
Your name is life
Your name is holy, holyYou're beautiful
Untouchable
Your name is holy, holy
You're marvelous
Extravagant
Your name is holy, holyI searched the world
To know real joy
And now I know your nameI find my healing in your name, Jesus
I find my passion in the name of Jesus
Your name is hope
Your name is peace
