Beautifully Broken

Ashlee Simpson

It seems like yesterday That my world fell from the sky It seems like yesterday I didn't know how hard I could cryIt feels like tomorrow I may not get by But I will try, I will try Wipe the tears from my eyesI'm beautifully broken And I don't mind if you know it I'm beautifully broken And I don't care if I show itEveryday is a new day I'm reminded of my past Every time there's another storm I know that it won't lastEvery moment I'm filled with hope 'Cause I get another chance But I will try, I will try Got nothing left to hideI'm beautifully broken And I don't mind if you know it I'm beautifully broken And I don't care if I show itWithout the highs and the lows Where would we go Where would we goI'm beautifully broken And I don't mind if you know it I'm beautifully broken And I don't care if I show itI am beautifully broken I am beautifully broken I'm beautifully broken And I don't care if I show it
